Front-End Developer

## PROFILE

### I am a Front-End Web Developer

Hello everyone, I've been trying to be a little bit different since I was child, when I was growing up I had to adjust with the rules of the world. I didn't success, but I didn't give up either. I thought I had studied the other side, but what happened? So I moved towards the computer and now I want to move forward in life with Programming at Computer - Science. I need a platform to show my skills and prove that I'm the best. Anyway, I talked a lot, thank you.
